AN EXCITING DIRECTION FOR LITTLE ROCK HEALTH CARE: WEST!

Opening this Fall!

We're responding to Little Rock's growing population by developing **St. Vincent West!** This unique, 37-acre campus will provide access to high-quality family medicine and specialized care for seniors. It's the first in the community to include an **urgent care clinic** for times when someone in your family needs immediate medical attention but isn't facing a life-threatening emergency.

St. Vincent West is another innovative way we're meeting the needs of our community. Visit StVincentHealth.com/West for construction updates.
